100% Waterproof

Perfect for high moisture areas such as kitchens, bathrooms and laundry rooms.

Durable Surface

A thicker wear layer combined with an enhanced construction offers better resistance to scratches, stains, dents, and fading.

Pet Friendly

Sturdy and hard-wearing from the heavy toll and accidents your pets have on your floors.

Kid Friendly

Holds up to everyday life's messes and spills and withstands high traffic areas.

Low Maintenance

Makes clean up a breeze with simple sweeping and occasional mopping to keep your floors looking fresh & beautiful.

Hygienic

Closed seams and smooth surfaces that prevents water from penetrating and bacteria from growing.
